

John Doy Jeffers III

Seeking an IT Career

3318 Mennonite School Rd.
Montezuma, GA. 31063

478-973-3446
jjeffer3rd@gmail.com

In November, 2023 I decided to pursue a career in IT and Cyber Security. I believe that my background in PC building, website management, and basic design, give me an opportunity to get into the world of IT work. My problem solving skills, coupled with my immaculate customer service skills, allow me to truly help the company. This career change will allow me to use the skills I am good at while pursuing my own career to better support my future.

Education

University of West Georgia Masters of Arts, History.

May 2019 - Present, Carrollton, Ga.
3.0 GPA
18 credit hours remaining (~ 1 year)

Traveled to Germany for ten weeks in 2017 & 2018 to pursue twelve courses in the country. The classroom instruction and work was all in German and I was immersed into the society for the entirety of the trip.

University of West Georgia Bachelor of Arts, History.

June 2016 - May 2019, Carrollton, Ga.
2.94 GPA

University of West Georgia Bachelor of Arts, Foreign Language.

June 2016 - May 2019, Carrollton, Ga.
2.94 GPA

Skills

Basic Computer Repair & Construction

Quality Customer Service

Dedicated work ethic

Google Business Software

Microsoft Office Suite

Work Experience

Mid-Georgia Farm Services

Inventory Management & Customer Service Representative (Transitional Job into Middle GA)

October 2023 - PRESENT, Montezuma, Ga.

Responsible for the processing of inventory and movement of Semi-Loads of Corn within the Feed Mill. Daily writing of feed orders, removal from inventory, and documenting of billed amounts. Further responsibilities include inspecting sales contracts & ensuring chemical testing of commodity products meet quality expectations.

Veritas Academy / Upper School Latin & Humanities Teacher

July 2023 - October 2023, St. Augustine, FL.

Oversaw the growth of their Latin Program and two Medieval History courses in the eighth and eleventh grades.

Hodges Plumbing Company / General Laborer

May 2023 - August 2023, Waycross, Ga.

Practical experience in a local plumbing company helping a plumber to pay for my move to Saint Augustine.

Crossroads Christian Academy / Upper School Humanities Teacher

August 2020 - May 2023, Waycross, Ga.

After my first year of teaching I was elevated to the Upper School in my field of specialty, History, Latin, and Theology.

University of West Georgia / Department of Physics, Teaching Assistant

January 2017 - May 2019, Carrollton, Ga.

I assisted the Professor's mission of conducting Astronomy labs and ensuring the students are provided with the help and guidance needed to accomplish their studies. I was required to understand basic mathematics, as well as some physics formulas, and be prepared to occasionally lead and instruct the lab alone.

Lowes Home Improvement Center / Loader

August 2014 - November 2015, Anchorage, Ak.

I Operated heavy equipment, load orders for construction companies, as well as loading customers' orders into their vehicles after purchase. Other duties included opening the store and preparing the lumber yard section for the workday.
